

Robert Noyce Scholarship/Stipend Program  
**CONTRACT OF RESPONSIBILITIES**

This is to confirm that I, \_\_\_\_\_, understand that I have been awarded a FISCHRS Robert Noyce Scholarship in the amount of \$\_\_\_\_\_ for the academic year 2012-2013 from Saint John Fisher College of Rochester, enabling me to participate in an initial certification program in mathematics/science education at the graduate or undergraduate level. This scholarship is awarded to mathematics students who are committed to teaching science and mathematics in a high needs rural school. In order to receive this award, I certify that I am a United States citizen, national or permanent resident alien.

Furthermore, I understand that, in order to retain this scholarship/stipend, I must satisfy the following conditions:

1. Maintain a minimum cumulative GPA of 3.0 with grades consistently at or above B- in all courses counting towards my major and education certification
2. Obtain a teaching certification at Saint John Fisher College
3. Meet with faculty advisors at least once per semester
4. Complete Noyce Scholar survey and assessment forms
5. Complete two years of mathematics teaching in a high needs school (as defined by the FISCHRS program) for each year the scholarship is accepted within 8 years of completing my certification.

Participants who fail to meet the teaching requirement will be expected to repay the National Science Foundation the amount of their Noyce support plus interest.

Furthermore, I understand that, upon graduation, I am required annually (until all years of service requirements have been met) to supply Saint John Fisher College of Rochester with the following:

1. Updated contact information.
2. Verification of employment.
3. Completion of surveys and other evaluation instruments.

\_\_\_\_\_ I have read the stipulations, and I accept this scholarship award.

\_\_\_\_\_ I have read the stipulations, and I decline this scholarship award.
