

Ancient Greece- Climate/Weather

Homework

Name: _____

Date: _____

Directions: Fold the paper the “hot dog” way and then the “hamburger” way. In each box I want you to draw the general weather for each season in Ancient Greece. You may pick North or South Greece but make sure you label each season and which part of Greece you do. You may borrow coloring utensils but please make sure you bring them back. Two pieces of paper will be printed make sure you do your drawings in the blank page.
